Howe Green House School & Little Oaks Nursery

This Policy also includes the Before and After School Provision

Statement of Intent

The governors and staff of Howe Green House School and Little Oaks Nursery fully recognise the contribution it makes to safeguarding and promoting the welfare of children. We recognise that all staff, including volunteers, have a full and active part to play in protecting our pupils from harm.

Safer Recruitment and Selection

The school pays full regard to current guidance 'Keeping Children Safe in Education (September 2019).

We ensure that all appropriate measures are applied in relation to everyone who works in the school who is likely to be perceived by the children as a safe and trustworthy adult including volunteers and staff employed by contractors

This policy operates in conjunction with the Safeguarding policy

Applicants for posts within the setting are clearly informed that the positions are exempt from the Rehabilitation of Offenders Act 1974

Safer recruitment practice adheres to current regulations and the following will apply:

- advertisements for roles in the school, the associated application forms, job descriptions and person descriptions will all convey the school's commitment to safeguarding and explain that checks will be made for suitability to work with children;
- applications will be scrutinised for employment gaps;
- all short-listed candidates will be interviewed;
- candidates invited to interview must bring with them ID documents, original qualification certificates, proof of the right to work in the UK

The candidate will be required to obtain a Certificate of Good Conduct in line with the Home Office guidelines for the relevant country ;
- EEA checks will be undertaken.

- Successful candidates will be required to complete a medical questionnaire, and if the position is related to physical fitness, interview questions relating to their health and physical capacity for the job will be asked.

All offers of employment are conditional pending all required checks being in place.

If a DBS has not arrived by the time a role is due to begin, then a risk assessment will be made and arrangements put in place to ensure safeguarding is maintained.

Where applicants are rejected because of information that has been disclosed they have the right to know and challenge incorrect information.

The school will keep an up to date central record of checks (SCR) carried out on all staff which is checked on an annual basis by the Chair of Governors.

The school will ensure that there is at least one person on every recruitment panel that has completed Safer Recruitment training.

The school has procedures for dealing with allegations of abuse against staff and volunteers and will send a report promptly to the DBS if a person in regulated activity has been dismissed or removed due to safeguarding concerns, or would have had they not resigned. The school will meet the requirements of the Vetting and Barring Scheme such as reporting any member of staff whose services are no longer used because they are considered to be unsuitable to work with children to the DBS within one month of them leaving.

A referral will be made to The Teaching Regulation Agency) where a teacher has been dismissed (or would have been dismissed had he or she not resigned) and a prohibition order may be appropriate, because of 'unacceptable professional conduct', 'conduct that may bring the profession into disrepute', or a 'conviction at any time for a relevant offence'.
